

DONALD WILLIAMS

CEO/Lead Consultant | From the Light Consulting

Donald Williams is an enrolled Tribal member of the Umatilla Tribe, and CEO/Lead Consultant for From the Light Consulting, a Tribal member owned consultation service provider with a non-traditional approach that illuminates the possibilities of working with these traditional communities. Having a focus on Tribal, Rural, and Underserved communities has been an area of expertise that From the Light Consulting has developed the experience in energy, economics, and entrepreneurship and working with the traditionally underserved communities throughout the Pacific Northwest in these capacities. Forming collaborative, collective, and continuous relationships with stakeholders wishing to work with these communities is the conduit that From the Light Consulting, and Donald Williams can provide.
