

The background image shows two men in an industrial setting, likely an oil refinery or construction site. Both are wearing white hard hats and high-visibility safety vests. The man on the left is a Black man, wearing a suit and tie under his vest, and is pointing his right index finger upwards. The man on the right is a white man, wearing a safety vest over a collared shirt, and is smiling while looking upwards. The entire image has a blue color overlay. The text is centered over the image.
